Rollover from a Designated Roth Account

If you are directly rolling over Roth money, we must receive cost basis and the Roth account's start date directly from your prior record keeper. Otherwise, we will use the year your initial Roth contribution is applied to this contract and assume the rollover amount's cost basis is zero for tax reporting purposes. This may adversely affect the tax consequences of any future distribution from your Roth account.

6. TRANSFER/EXCHANGE INFORMATION (This section **MUST** be completed if transfer or exchange is selected in Type of Request section.)

Transfer amounts from (Check all that apply.)

- 403(b)(1) Annuity Contract
- 403(b)(7) Custodial Account
- Exchange/Transfer from a Roth 403(b) Account

For transfers/exchanges of Roth money, we must receive cost basis and the Roth account's start date directly from your prior record keeper. Otherwise, we will use the year your initial Roth contribution is applied to this contract and assume the transfer amount's cost basis is zero for tax reporting purposes. This may adversely affect the tax consequences of any future distribution from your Roth account.

Please provide a breakdown of the applicable money types:

Employer _____ % or \$ _____ of transferred assets
 Employee (pre-tax) _____ % or \$ _____ of transferred assets
 Employee (non-Roth after-tax) _____ % or \$ _____ of transferred assets
 Employee (Roth after-tax) _____ % or \$ _____ of transferred assets

7. ACCOUNT HOLDER SIGNATURE AND CERTIFICATION

I understand direct transfers/exchanges after September 24, 2007 will be subject to new requirements under the Final 403(b) Regulations issued in July 2007. Under the new rules, the exchange of one 403(b) contract for another 403(b) contract will be subject to information sharing between the Employer maintaining the 403(b) Plan and Voya as your investment provider to begin no later than January 1, 2009.

If the Employer maintaining the underlying 403(b) Plan does not agree to share information with Voya, I understand Voya will contact me to move the assets to another 403(b) contract with an Employer willing to share information with Voya or another investment provider approved under the Plan OR to roll the assets into an IRA (provided a distributable event has occurred). I understand this asset transfer/rollover will be completed without deferred sales charge and would have to occur by June 30, 2009 or I may incur adverse tax consequences.

I consulted my tax advisor before proceeding with the transaction.

I understand that if historical, grandfathered account values are not provided to Voya, the entire amount transferred will be subject to Internal Revenue Service (IRS) withdrawal restrictions and minimum distribution rules applicable to post-1988 earnings. I understand that transferred amounts will be subject to the applicable IRS withdrawal restrictions. I understand that if Pre-Tax 403(b)(7) Custodial Account assets are transferred into a VRIAC 403(b)(1) Annuity Contract, the more stringent 403(b)(7) withdrawal restrictions will apply. In addition, I understand the Company will treat all incoming rollover, transfers or exchanges (whether or not they were previously subject to the Employee Retirement Income Security Act) as subject to the ERISA status of the Destination Plan indicated on page 2. I understand that Transfer/Exchange or Direct Rollovers will be invested using my current investment allocation under the new contract to the extent on file unless I submit this form to indicate alternate investment instructions.

I acknowledge that I have read and accept the terms of this form and that the information shown is correct and complete.
